

Greetings,

The Rockdale-Newton Section of the National Council of Negro Women, Inc. (NCNW) is dedicated to leading, advocating for, and empowering women of African descent, their families, and their communities. In our community, we have made a tangible impact through various initiatives, including:

- Distributing food to individuals and families facing food insecurity,
- Providing resources to homeless shelters,
- Hosting voter education forums and candidate discussions,
- Offering mental health seminars and health informational sessions on vaccines,
- Supplying school materials for students, and
- Awarding scholarships to “C” students in the high schools

To further our mission, we are excited to announce our “ Lady Loved Her Hats Community Awards Brunch,” which will take place at 12PM on March 14, 2026, at the Georgia Piedmont Technical College. This special event will honor unsung heroes in our community. Proceeds from the brunch will directly support our scholarships and sustain our ongoing community programs.

We would be delighted to have you join us for this celebration. Please find the ticket information attached for your convenience. Additionally, we invite you to support our event through sponsorship at one of the levels outlined in the attached sponsorship details. As a 501(c)(3) organization, all donations are tax-deductible.

Your support will not only allow us to recognize the extraordinary contributions of our community's unsung heroes but will also enable us to continue making a meaningful difference in the lives of families throughout Rockdale and Newton counties. To ensure proper acknowledgment and promotion of you and/or your business, we kindly ask for confirmation of your support by March 4, 2026

Thank you for considering this opportunity to make an impact. Should you have any questions, please contact me at 678-642-2328 or evettawashington267@gmail.com.
